Dear Parent/Guardian

Per [Florida Statute 1012.42, Teachers teaching out of field](#), and The Every Student Succeeds Act (ESSA), it is required that schools notify you if your child has been assigned to a teacher who does not meet certification requirements for the grade level or subject (content) being taught.

Although your child's teacher holds a valid Florida teaching certificate, the teacher is classified as out-of-field (OOF) because they do not hold a certificate to teach the grade or subject (content) listed above because:

- He/she has been assigned to teach a subject area not covered by his/her current certification **and/or**
- The teacher is out-of-compliance (OOC) because he/she has been assigned to teach one or more ESOL students without the appropriate ESOL coursework in place.

The School District employs certified teachers in accordance with Florida Department of Education requirements. Please know that your child's teacher is working toward the necessary certification for the grade or subject area listed above. The teacher may continue to teach your child on the condition that he/she agrees to complete the necessary requirements to obtain certification within a specified period of time.

**SHOULD YOU HAVE ANY QUESTIONS OR NEED FURTHER CLARIFICATION REGARDING THIS MATTER, PLEASE CONTACT YOUR CHILD'S SCHOOL PRINCIPAL AT YOUR CONVENIENCE.**
